If you're looking for something a little different for your colleagues or friends then look no further! The Adventure Rope Course in the beautiful grounds of Salomons can be booked from just a couple of hours to a few days. You can choose from any number of activities such as:

Zip Line

You'll be attached to one of our special trolleys before stepping off the platform and zipping down the wire rope just inches above the ornamental pool. Fast and furious!

High All-Aboard

As a team of two or three - climb the wobbly pole to stand on the 'bird-table' on top. It doesn't stop there though. Once on top, hold hands and lean back to the full extent of your arms..., then let go!

Jacobs Ladder

As a team of two, three or four - climb to the top of the ladder. There's another twist here that we prefer to keep to ourselves..., try it and discover the secret for yourself.

High Balance Beam

Climb up to the Beam and cross to the other side. Although you're tied in to the system, there's a very pronounced feeling of exposure. It's a real buzz!

Tower Abseil

This is one of our most accessible activities. We have a staircase running up the middle of our tower that gives a comfortable walking ascent. At the top your staff member will meet you and talk you through the abseil process before helping you to lower yourself off the tower in the traditional manner.

Inclusive Activities

Our course has been used as part of a conference, a teambuild or a company away day. It's brilliant as an unusual family event or for a birthday party or even a wedding! But you don't need an excuse to use us. It's simply great fun and a really unusual way of getting to know your friends, family or colleagues better! The course is open throughout the year and we won't be put off by the weather.

The Adventure Rope Course

Inclusive Activities

You will be relieved to know that we operate a strict *Challenge By Choice* policy where no one will be coerced into doing anything that they do not want to do. You set your limits. We promise not to try to coax you beyond those limits. Remember that our Adventure Rope Course is a **TEAM** activity – this means that for every climber there will be at least 1 back up safety person. You will be essential to the success of the day and a crucial member of the team even if you don't leave the ground.

Team Away Days

We can also provide you with fun, involving and inclusive on-the-ground problem solving activities. These tasks involve different learning styles and are designed to utilise the varying skills within your team. This means that everyone gets to shine throughout the day.

Our experience tells us that these tasks mixed with a scattering of our adventurous activities combine to make a truly memorable, powerful and most importantly team building experience.

Themed Days

We are often asked to design a day to fit in with the theme of a conference. We can meet delegates at the doors, or even introduce ourselves within the conference to make the day run as smoothly and as professionally as you'd expect.

We can link each of our activities with the next to provide a framework for learning and celebrations at the end of the day. Give our Sales Team a call to find out how we can make your conference even more successful.

That Extra Touch

Contact our Catering team and ask us to provide mid-session hot or cold drinks and snacks direct to you at the Adventure Rope Course. Bacon Baps? No problem. Perfect for sustenance after a couple of hours of adventurous fun!

For Activities:-

Please call The Adventure Rope Course Sales Team on 01743 232561 or book online at www.adventureropcourse.co.uk

For Facilities & Catering:-

Please call the Sales & Reservations Office on 01892 507630 or e-mail on reservations@salomons.org.uk

If you require team building and development, our in-house Centre for Leadership and Management Development (CLMD) can tailor an event to suit your particular objectives. They will work with you to analyse your teams' needs and then design a programme to deliver your objectives with an emphasis on sustainable, long-term learning.

For events with an emphasis on fun, to celebrate success perhaps, we can employ one of our recommended activity partners dependent on your choice of activities.

In the first instance, please contact the Reservations office who will be happy to assist you and put you in direct contact with the appropriate supplier. Prices are determined by the number of delegates and choice of activities.

Please call 01892 515152 or e-mail reservations@salomons.org.uk

Team Building & Development with CLMD at Salomons

Using a holistic view of effective team working, the Centre for Leadership and Management Development will work with you to identify your needs. We will then design a specific programme to meet these needs in line with your goals and values.

Activities include:

- * Residential or non-residential events concentrating on specific skills and programmes to develop sustained team effectiveness.
- * Diagnostic interviewing with individual team members or group diagnosis to look at strengths and development needs.
- * Theories and models of team development providing useful frameworks to gain understanding of events in the workplace.
- * Using the outdoors as a learning environment.
- * Using psychometrics and other instruments to gain self-awareness and understanding of each other. For example, the Myers Briggs Type Indicator (MBTI) and Strength Deployment Inventory (SDI)
- * One-to-one coaching or advice sessions with team members
- * Facilitating residential or non-residential team building programmes and events

For more information on the Centre for Leadership and Management Development, please see www.salomonsclmd.org.uk

Team Building & Celebration Activities

Fun Activities at Salomons

Our recommended activity partners can supply a number of fun events for teams including:

- * Archery
- * Clay Pigeon shooting
- * Laser Clay Pigeon Shooting
- * Challenge Zone: A variety of mental and light physical tasks are put to the group who have to work together as a team to solve the challenges
- * Geese Herding with Sheep Dogs: Try your hand at communicating with sheep dogs to herd geese through a course. The dogs are trained to respond to a variety of different languages and whistles
- * Falconry: A chance to fly a selection of birds of prey
- * Photo Challenge: Teams are issued with a camera and tasked with taking a range of seemingly impossible photos – only teamwork and lateral thinking will lead to success
- * Inflatables: Beach Volleyball, Bungee Running, Human Table Football, Olympic Assault Course
- * Family Fun Days and MAD Days (Multi-activity days)

As well as the splendid Dining Room and fully licensed bars, Salomons offers a choice of delightful rooms for private functions catering from 20 - 200 guests. Indeed the elegant Gold Room and Conservatory with stunning views over the lake and grounds are ideal venues for serving conference refreshments.

As a highlight on which to end your team building event or conference Salomons is delighted to host a special themed finale for you and your delegates. Suggestions are varied and include a Chinese evening, curry night, BBQ supper, casino evening or cabaret night and can be tailored to meet your specific requirements. Please contact the Reservations office for further information and ideas.

Technology Suite

The Technology Suite, fully equipped with personal computers, is available to hire for training purposes with or without a tutor from Salomons.

Clients may hire the facility for training in Microsoft Office applications and training to use the Internet, for a charge of:

Day Rate **£250.00**
Half Day Rate **£175.00**

There are 10 personal computers with 17" monitors and DVD/CD ROM drives.

The operating system is Microsoft Vista.

The standard application software available is the full Microsoft Office Suite 2007, incorporating Word, Excel, Powerpoint and Access.

Each work station has removable side panels to allow for private or group study.

In line with Health and Safety regulations all delegates have an independent workstation with adjustable chair and the use of a document holder.

The training room is equipped with flipchart, white board and data projector plus screen which is connected to one of the work stations for training.

Please note:- Any additional equipment, software or support by Salomons IT department may incur surcharges. Salomons can also supply a Tutor if needed at an additional cost.

Lunch & Refreshments are also available although they may not be taken in the Technology Suite; please call with your requirements.

The Technology Suite, Interview and Observation Rooms

Interview & Observation Rooms

A unique facility at Runcie Court on the estate boasts 10 private interview and observation rooms fully equipped with CCTV, viewing monitors & VCRs for observing and recording training sessions. These can be viewed individually in each room or collectively via the central control unit.

This facility constitutes the ideal venue for one-to-one interview training, role play exercises, customer service training and provides a very powerful learning tool.

Clients may have the facility for a charge of:

Day rate: **£250.00**
Half Day Rate: **£175.00**

For further information please contact the Reservations office on 01892 515152
